STAR FUCKERS

TORI BLACK & JAMES FRANCO

We first met Tori Black in her earliest days as a screen-banger back in mid 2007. It was obvious, even before she would go on to win scores of major industry honors including the AVN Award for Best Female Starlet in 2010 and 2011, that this Seattle slut was a card-carrying cock-slave. Though she had long been at the top of our "get" list, with a full movie shooting and appearance schedule, it started to seem like it would be impossible to get Tori to slow down long enough to pin her sexy legs behind her ears and take a deep dicking for us in a Star Fuckers session. But, as they say– good things come to those who wait– and we believe that any time you get an opportunity to capture Tori Black fucking on camera, it's a "good thing."

Ms. Black's cock de jour for the session would be the eternally erect James Franco. We introduced the couple the morning of the shoot, and noticed a clear attraction between them right away.

The best Star Fuckers sets always come about when the couple asks for very little direction and just start acting on their own lusty impulses. That's just the way things went down with Tori and James. The cock was already hard in James' pants when we called "action" and Tori didn't even wait for a cue before falling to her knees and setting the wood free from the confines of her man's trousers.

Tori stroked and admired the thick and lengthy stick before turning her face to the camera and taking the cock into her mouth. James let out a powerful moan as Tori worked his cock deep into her throat while cupping his balls in her soft fingertips.

James rested his hands on the back of Tori's head and pulled her closer until his sack was pressed against her chin. Tori sucked hard, then pulled the cock from her mouth and set her tongue on his nuts– licking towards the base of the meat and slowly up to the throbbing tip.

10 VELVET

Tori sucked the cock to a steely hardness, then told James to take a seat so she could take his hard-on into her cunt in the reverse cowgirl position.

When the session began, Tori and James were bringing us into their conversation and playing exclusively to the camera. However, as they both turned their attention towards giving and receiving pleasure, it was as if our crew had left the room and the couple were sharing a private, dirty experience.

Crouched over James' lap, Tori brought her pussy down to the head of her man's stick and allowed it to part the wet slit and enter. Tori bit her lip from the hot sensation of the dick pushing into her crack like a hot knife through butter. Each time Tori lifted her cootch to the tip of James' cock, the shaft grew more drenched from the cream dripping form Tori's box. She began to ride the stick harder as she reached down and set two fingers on her clit to rub the pink in quick, sturdy strokes.

We set up the lens for a close-up and pulled in tight on Tori's pussy just as her hot, little body began to shake from the climax James' cock was laying on her. For a petite girl, Tori sure can fill up a room with the sound of her voice when a cum-coma leaves her wailing and out of control.

"Fuck me from behind. I love doggy fucking" Tori whispered into James' ear as she dismounted from his dick and let herself fall to her hands and knees.

James knelt behind Tori and she reached back, grabbed his dick with one hand and pulled it towards her sweltering peach like a girl on a mission. James' cock was once again pounding the snatch balls-deep as Tori

let out a cry of pleasure every time the pole was thrust high and hard inside her. The couple fucked so hard that they slipped and fell sideways onto the bang sofa. Still James didn't miss a stroke as the doggy sex quickly morphed into fucking the scissor poke position.

James grabbed a handful of Tori's natural tits while filling her cave with wet Johnson, and Tori was left helpless as her hips grinded and a series of guttural orgasms washed over her body.

"Let me fuck your tits" James said out loud as he turned Tori over and dropped his rod between her cans. "I love Tori's tits and I have been dreaming about popping my cock between them since I signed on for the shoot," James said to us in his first acknowledgement that we were even in the room in about thirty minutes. Tori accepted the dick between her boobs and pressed in hard as the flesh held tight to James' cock.

James signaled that is nut was about to pop and we set ourselves up for the cumshot just in time to see his milky load drain across Tori's face.

As Tori sucked the last drops of goo from James' spent spear, the couple broke out laughing. Both admitted that it had been some time since they hooked up with someone for a shoot that they so quickly felt turned on by, and they were both amazed by how they completely gave into each other and the moment.

Tori and James hugged and exchanged information. Before saying final goodbyes they put one another high on their wish lists of talents to work with again real soon.

We really enjoyed shooting Tori and James, and both are invited to come back for another Star Fuckers session any time they want!

SUBMISSIVE JUSTICE

If the ladies at my Women's Rights and Empowerment Group heard what was in this letter (by the way, I am the president of the organization) they would hoist me up by my own petard. Yes, I am an absolute card-carrying feminist and have been spending much of my college career enlightening people about injustices to women and fighting the stereotypes about women being submissive and subservient to men. My dirty little secret is that, when it comes to taking a hard cock, I am totally submissive and the only way I can get off is to completely surrender to the filthy desires of a man and devote myself to giving him pleasure.

A few weeks back I was at a local bar off campus and this frat boy came over and started hitting on me. It was clear that this guy saw me as nothing more than a piece of ass and couldn't care less about me as a person. This is the exact kind of guy we tear apart at our WREG meetings, but all I could think about while he was running his stupid pick up lines at me was dropping into the doggy position and letting him slam his cock into my cunt.

I crossed my fingers, hoping that no one would see me leaving with this douche, and took him up on his offer to go back to his dorm room. Once we got to his place, I asked him what he wanted. "How about we start with you sucking my dick," he said while looking unapologetically into my eyes. Without hesitation I got on my knees and took down his pants. I was faced with a hard, thick cock and I took it between my lips and tickled the tip with my tongue. He put two hands on the back of my head and I allowed him to pull my mouth towards his balls as the dick forged a path towards my throat. I closed my eyes, but he told me to look up at him while I serviced his tool with my hungry mouth.

He pulled his cock from my mouth and told me to stand up and strip for him. I removed all of my clothes as he watched while stroking his hard-on. Once I was naked I followed his instructions to lay back on his sofa. He told me to open my legs for him and he leaned in and drove his big pipe into my cunt. There was nothing gentle or passionate about how he fucked me. He just climbed on top of me like I was a sex toy for his pleasure and banged me with all of his strength.

Being fucked so hard and with such raw energy left my pussy soaked and I begged him not to stop as I felt a hot rush pour into my cunt as the first of what would be many orgasms sent my cum pouring along his standing shaft.

He stood up and told me to return to my knees. He pulled my hair back from my face and I opened my lips to receive his cock once more. The dick was slapped against my mouth and I licked the meat until his large, milky cum load was decorating my face.

I can never tell my feminist friends that I am a total submissive sex slave when it comes to being intimate with a man. Yes, I am a feminist who will fight for equal rights until my last breath. However, when it comes to sex, there's no denying that I am all about serving my man.

RECESSIONAL SEX

There's something about having an amazing piece of pussy to park your dong in that helps keep a smile on your face when the rest of your world is falling to shit.

My first encounter with Zarlena was at the unemployment office where we were both applying for benefits. Both of us had recently joined the ranks of the jobless and were looking for a little help from Uncle Sam. I started up a conversation with Zarlena while we were waiting for our turn to make a case for a weekly check. She was still pretty new to the US and, in her somewhat broken English, Zarlena explained that she was about to lose her apartment, and the prospect of being homeless was a very real possibility.

Lost for words of comfort, I offered to help Zarlena move her stuff into storage, and she took me up on the offer. I'd be lying if I said I was offering to help to be nice. The truth is that Zarlena is a fucking top-shelf Euro-hottie and I was hoping that there was at least an outside chance of a thank you BJ coming my way for my time.

I met Zarlena at her apartment and busted my ass for about six hours straight. When we were done she offered me a beer and, seeing how sweated up I was, asked if I wanted to take a shower.

I was only under the water for about two minutes before the curtain was pulled aside and a very nude Zarlena stepped in to join me. She began scrubbing my body with soap and a washcloth, but when it came time to cleanse my junk, she opted to use her tongue and lips as cleaning implements. Zarlena bathed my cock in her saliva, gently caressing my balls with soft strokes, and soon enough my jizz was exploding onto her tits.

We toweled off and moved our tryst into the living room where I sat Zarlena down, spread her thighs and set my face before her pussy. My tongue extended and pushed its way in between her smooth cunt lips and onto her swollen clit. I licked and sucked Zarlena's pussy and savored the taste and smell of the juice that oozed from her crack and into my mouth.

Zarlena wrapped her legs around my neck and pulled my face closer to her snatch as the pace of my licking grew faster. All at once she cried out from a climax as pussy juice poured onto my lips like a faucet.

She led me to the thick carpeted floor

and locked her lips onto my mule until it was once again hard enough to throw her a tight fuck.

With Zarlena on her back and me on my knees, I lifted her legs up to my waist and slipped my dick into her. She arched her back and I banged Zarlena in an almost upside-down position. She clenched her legs together and I reached down to claim two handfuls of her ass as my cock thrust its way deep into her hole.

Having reached my breaking point, I yanked the bone from Zarlena's pussy and jerked my second batch of seed all over her tits, torso and face.

I wound up inviting Zarlena to come and live with me. Her English is still somewhat broken, and I don't always have a clue what she is saying to me. Still our fuck sessions are hot enough to keep us together and help us forget that money is extremely tight and life for us right now is very day-to-day.

JESSICA DRAKE'S GUIDE TO WICKED SEX: ANAL

STARRING: *jessica drake, Asa Akira, Dana DeArmond, Lyla Storm*
DIRECTED BY: *jessica drake*
AVAILABLE FROM: *Wicked Pictures*
RUNNING TIME: *60 Minutes*
DVD EXTRAS: *Bonus enema scene, trailers, director commentary*

The latest title in the Wicked Pictures sex instructional DVD series starring jessica drake explores the practice of anal sex. The movie tackles many issues both men and women face when in comes to ass sex, and jessica offers

advice, pointers and instruction to help make the experience hot, safe and fun for the viewers. The flick also includes three back door banging scenes as well as first-person opinions and thoughts on anal drilling from the cast members in the demonstration sessions. As a bonus, an enema demonstration scene is also included in the package.

The *Guide To Wicked Sex* DVDs are one of the most popular educational/porn series in XXX. During a girl'girl chat session jessica talked about her goals and vision while developing the *Guide to Wicked Sex* series.

"To be honest, it all began a few years ago, as I began to notice an increase in the number of women and couples that were coming out to meet me at conventions and store signings. As women became more comfortable, they would approach me and ask me questions. I always took the time to talk to them, because I think that sexual knowledge leads to confidence, and confidence is very empowering in bed. Every woman should have resources...so I decided that I would make it my goal to help. I began teaching seminars and then, as I was doing the subsequent Q and A sessions, I was asked if I had DVDs to take home to learn more...so I created jessica drake's Guide to Wicked Sex."

With *GTWS: Anal*, jessica begins the movie with some very frank talk about fucking girls in the ass and the erotic mystique surrounding this very hardcore sex act. On that subject, I asked jessica to offer an opinion about what she thinks makes so many men desire to fuck a girl anally?

"I think that the male– and female– desire to have anal sex stems from the taboo associated with it. It's been called the 'wrong hole.' And some women love it and some women are scared of it, but any way you look at it, it's deemed especially kinky. Personally, my desire to have anal sex began with a sexual curiosity. My whole body was, and still is, something I wanted to explore, to satisfy, to love. My first anal experience was mine and mine alone. I masturbated and explored until I got a sense of what I thought it would be like with a partner. Anal sex with my partner happened not long after that."

The demonstration scenes feature two of porn's hottest and most uninhibited stars: Asa Akira and Bobbi Starr. Asa gets her booty penetrated by Mr. Marcus. Their scene is scorching hot and Asa turns in one of the best ass bang scenes of her career.

Bobbi gets butt plugged be Ramon Nomar. Bobbi Star established herself as one of porn's reigning anal queens way back in her earliest days fucking on camera. In this flick she turns the heat up a notch or two, also delivering some of the best cock-

in-ass action I have seen from her.

The director and I got into a discussion about the importance of making sure the movie was not only highly informative, but a disc with plenty of action to bust a nut to.

"I feel very strongly about the fact that couples watching at home can sense the genuine energy of a scene," said jessica. "I try not to 'direct' my performers when they are having sex. I just try to let them go and get into it, and then just shoot them having good sex. Chemistry is very important and I always consult with my talent and only put them with people who turn them on. I think that after watching any of my instructional movies, couples will enjoy using the scenes as "inspiration.""

A third sex scene is included in the movie– a "first time" anal sex experience for Lyla Storm, who offers her rear cherry to Jeremy Conway. Watching Lyla's rectum get christened with cock left my pussy quite soaked and in need of some attention. It had been a while since I found myself jerking off to porn, but the heat of Lyla and Jeremy's third input thumping was the perfect backdrop for me to engage in some solo fingerbang fun.

To close my conversation with jessica about the anal edition of the *Guide To Wicked Sex* series, I asked if she wouldn't mind giving a quick pointer to men as to how they can best make the anal sex experience pleasurable and non-intimidating for a woman?

"Men: If you do not make a woman's first anal experience a comfortable, pleasurable one, chances are, you will not be given another chance. So it's important for you to take your time. Begin anal play with no expectations or pressure to actually go 'all the way.' Get her comfortable, communicate with her during the experience when things are going right OR wrong. Let her take the lead. Make time for a special date night to watch jessica drake's *Guide to Wicked Sex: Anal Edition*. You'll both be glad you did!"

I for one was glad I did!

Take care and I'll be back with another Video World Report in our next issue!

Tales From The X

THE MAKING OF

ASS PARADE 30

BY GIRTH BROOKS

Velvet takes you "behind" the scenes of the latest chapter in the hardcore "maximum gluteus" DVD series from the dirty minds at Bang Bros.

Ass Parade 30 is available from Bang Bros., and stars Richelle Ryan, Alexis Texas, Jenavieve Jolie, Kelly Divine, Phoenix Marie, Bella. Ass Parade 30 runs 266 minutes.

I wouldn't necessarily call myself an "ass-man" per se. Yet, whenever the filthy crew at Bang Bros. unleashes another chapter in their butt-tastic *Ass Parade* series, I instantly become a charter member of glute worshippers' anonymous. The close-ups of oiled-up asses shaking and baking as the girls get cock-crammed in doggy and cowgirl are enough to make a dead man rise and rub out one more good load for old time's sake.

AP30 features a slew of sluts who posses some of the hottest and most delectable posteriors on the dirty movie landscape. Jenaveve Jolie, Alexis Texas and Richelle Ryan are three of the most notorious ass-chicks in XXX, and to be able to stroke to a single porn flick staring these babes plus top caliber whores like Kelly Divine, Phoenix Marie and Bella makes *Ass Parade 30* a win/win no matter how you look at it.

Ms. Divine, her rock-solid rump, and the hard dick of Mike Adriano tear it up in the opening scene. Kelly slobbers his knob in spit then bends to take the cock into

her pussy. The camera pulls in real tight as the rod is pulled out and soon reinserted into her lubed sphincter for some long-lasting and deep ass penetration.

The second scene is a threesome with Josh Logan, Bella and the well-endowed Richelle Ryan. I had the pleasure of meeting Richelle on shoot day and getting a bit of first-hand 411 on her thoughts about this very steamy poolside pounding.

"I always love shooting boy/girl/girl scenes because I get the best of both worlds," said Richelle. "Josh has such a nice, huge cock which makes my pussy cum so hard and Bella has a nice booty on her. I loved tag-teaming Josh with Bella and sucking his cock, then riding him till I came all over him."

This scene rocks as both Richelle and Bella take all that Joshua's cock has to offer. The girls are fucked in the sitting and doggy positions, then Richelle wins the pop-shot lottery and gets her ample rear cheeks doused in jism.

With the scene in the can, and nothing left to do but wipe up the milky seed that was dripping down her buttock, Richelle admired the cum on her ass and confessed– "I love a big, hot load of cum, especially when a guy covers my ass with it!"

The third scene offers the longtime screen fucker, Phoenix Marie proving that her ass still ranks among the firmest and hottest in the business. After some oral foreplay, Phoenix slips the cock from her mouth, bends over and instructs her man to plug her box from behind.

I've always been a fan of Phoenix Marie and her dirty ways, and watching this blonde, cock-luvin' fuck slave surrender her pussy

from behind while getting her asshole probed by her partner's thumb left my own digits laced in goo.

The most famous of all of the modern babes with plenty of delicious junk in the trunk is the slutty starlet Alexis Texas. This chick sets the screen on fire in any scene she works, but her on-screen screwing is always at its best when she gets to put the porn world's most recognizable "asset" in the smutty spotlight.

Alexis gets her bottom bathed in baby oil before squaring her tush up to the camera and letting her well-hung co-star slap his balls off her hiney to his heart's content. The fucking is some of the hottest in the entire movie and when the curtain falls on the scene, Alexis' ass is a covered in a messy mix of oil and ball batter.

Bringing up the rear in the *Assparade 30* is the incomparable siren Jenaveve Jolie. No sooner do the clothes

come off, then we find Jenaveve backing up the booty and seeking a special delivery of the red-knobbed spear in her wet snatch. Bodies crash as Jenavene never lets the fucking drop below the boiling point until her lovely rump is basted in penile protein.

Continuing our interview, I asked Richelle how it feels to know that men all over the world are jerking off to the sight of her amazing ass rippling as the cock is fed into her from behind.

"Mmmmmmm....it's such a turn on! I love knowing that guys are stroking their cocks, watching my sweet booty bounce on a fat dick. I love draining guys' ball-sacks all over the world with my porn. Keep it cummin'!

I wrapped my sit-down with Richelle by asking the *Ass Parade 30* star if she had a message for all of the perverted *Velvet* readers who love jerking off to her bodacious bottom.

"I love my fans and if it wasn't for you I wouldn't be here. Thank you for supporting me over the years and keep stroking it to me and my 'heartbreaking' booty."

Be sure to check out Richelle Ryan and the rest of the butt-blasting babes poppin' nuts in *Ass Parade 30*!

RILEY STEELE

California screen slut and Digital Playground contract star Riley Steele's career just keeps getting hotter. It seems like every time she wraps her sweet pussy around a thick slab of cock for the camera, the flick winds up getting numerous award nominations. Her late 2011 release with DP, Fighters, is one of the most celebrated smut titles of the year, and her most current flick, In Riley's Panties is leaving porn fanatics across the globe with racing hearts and sticky fingers. Riley recently began offering her fans a very special treat by launching a multi-city feature dancing tour where followers of porn's quintessential blonde, blue-eyed goddess get to see their wet dream girl in the flesh.

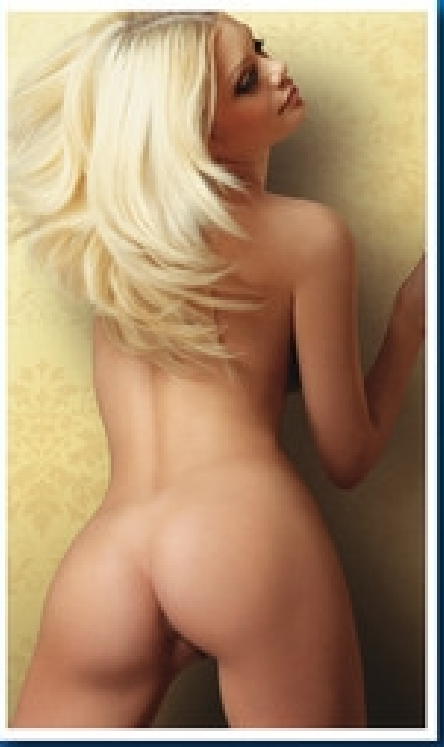
VELVET: These are very exciting times for you. I understand that you started your feature dancing career recently. What has that been like for you?

Riley: It's been great. I just did my first show in San Diego, and my next shows are in Las Vegas. I love it. I've been wanting to do this forever, and the San Diego show was a great experience.

One of your latest releases, In Riley's Panties, has a real fetish theme to it. What can you tell our readers about the movie?

It's all about guys being perverted. I have a boyfriend who's always fucking other girls and leaving their panties in my room. I find them and think they're hot. It's a really dirty and kinky movie.

Four-Star
Fuck Freak



Speaking of kinky and perverted, can you share a secret or two about your kinkier side– things your fans might now know about?

I don't know if it's a fetish, but I do like a lot of role playing. I especially like playing the submissive role. In my movies I am not always submissive, but, off camera I really get turned on by letting someone dominate me.

Another big movie for you and Digital Playground is* Fighters. *Tell us about the character you play in the movie?

I play Jesse's (Jane) little sister. Jesse is getting into a lot of trouble in school and she turns to boxing. The movie is about Jesse and Kayden's (Kross) characters, all of us really, finding our way and realizing that everyone has their problems, trials and tribulations. But you have to move on and move through them. It's a really good movie. Of course there's plenty of amazing sex to watch as well.

You play a major role in yet another Digital release,* Escort. *In this one you play Kayden's sister. Am I right?

Yes. I'm Kayden's sister and she brings me in on a plot to catch her husband cheating on her. We had a lot of fun making that movie.

***Who do you have sex with in* Escort?**

For Escort I have sex with Manuel (Ferrara). It's a very hot scene. The whole movie is really good.

Where do you take his cumshot?

He cums in my mouth. It's really hot. The whole scene is hot. People should definitely check that out.

What has working in porn taught you about yourself and your own sexuality?

Porn has taught me that there is definitely a line between love and sex, and that I am totally able to separate emotions from sex with no problem. I feel like a lot of men are like that naturally, but a lot of women get attached with anyone thay have sex with. But I think for a porn star to be successful they have to be able to keep a level head and understand that love and sex are totally different things.

For me, some of your hottest work has been in the Digital Playground JewelBox series– Cherry 1 and 2. Did you have a lot of sex experience with girls before you got into the adult industry?

Oh yeah. I have always loved girls. A lot of my sexual experiences were with girls before I got into porn, so working with girls is nothing new to

me. Also, in the bigger movies from Digital Playground, all the contract girls shoot a scene together. I love whenever we get to do that. But yeah. The JewelBox movies are really good, I love that I got the chance to work in them.

Having said that, what turns you on more, being eaten by a man or a woman?

I get very tuned on from both, but I do like boys more. I also find it easier to be submissive with the boys.

Girls are great too though. Actually I love good oral sex, no matter who is doing it. [laughs]

What are your secrets for getting both men and women off with your mouth?

Either way, what I like to do is go really slow. You have to really be into what you're doing and enjoying it. That's the key, too. I love to go slow, make eye contact and let the other person know that I really enjoy giving them pleasure.

When you masturbate, what sort of fantasies get you off the best?

Sometimes I'll replay one of my scenes in my head that really turned me on. Other times I'll see something or just find myself getting really horny and I'll just get into masturbating. It isn't just one thing. I masturbate a lot and it doesn't take much to get me going.

Speaking of getting off. You have a Fleshlight toy that your fans seem to really enjoy getting off with.

Yes. I love the Fleshlight. They molded my pussy, my mouth and my ass. They are all for my fans to enjoy.

Would you say that they are just like fucking the real Riley?

Yes. A lot of time and work goes into the molding and making of the Fleshlights. So, yes they are the closest thing out there to the real Riley. [laughs]

How can we find you online?

There's my new site, rileysteele.com. You can also find out everything about my movies at digitalplayground.com, and there's Twitter– twitter.com/rileysteele.

One of the X-world's most hardcore screen fuckers, Joanna Angel has risen to the top of the jizz bizz while making movies and building a cum-soaked career on her own terms. Often dubbed the "Queen Of Alternative Porn," Joanna is a screen slut visionary who has refused to adhere to porn producing traditions and tow the industry line.

Joanna shoots exclusively for her own company, Burning Angel (burningangel.com) a multi-media operation that produces some of the dirtiest smut of the modern porn era. One of her most recent releases– *Joanna Angel: Ass-Fucked* is a butt-slammin' masterpiece featuring the Burning Angel CEO getting dicked in the rear and DP'd in five ball-drained acts of raw debauchery.

During one of her many East Coast trips, Joanna invited us to her hotel room to shoot her in a solo sex, three-input shower screw. What you'll find in the following pages is Joanna Angel doing what she does best– working her holes and holding nothing back when it comes to giving porn fans a four-star jerk off experience!

Dear Jenna Presley-
Congratulations on your AVN Award nomination for Best Solo Sex Scene based on your masturbation scene in This Ain't Two and a Half Men. When you jerk off for a movie is your mind on playing to the camera, or do you think it is best to pretend you are all alone and recreate the same masturbation experience you have in your private life?
Ronny T
Colorado Springs, CO

Dear Ronny,
First off, thank you very much. This is my second AVN Best Solo Sex Scene nomination and I am very excited. When I jerk off for a movie, I not only play to the camera but I also like to pretend I am alone, so that I may create the same beautiful and natural masturbation experience I have in my private life. However, in this particular scene, This Ain't Two and a Half Men XXX *for Hustler Video, I was asked by the director, Axel Braun to stay in character. This meant I could not let go and be myself. I had to be my character, Candy. Candy is a fun, down to earth, yet rather ditsy young lady. Needless to say, I had an absolute blast playing her.*
I felt that I did a good job portraying Candy as she is my favorite character on "Two and a Half Men." However, I have never seen her in a simulated sex scene, so I just went for it and thankfully it all paid off in the end and scored me an AVN Award nomination.– Jenna

Dear Jesse Jane,
I love hardcore sex in my porn, but I especially get turned on when the couple also includes deep kissing with the fucking. I read a couple of interviews with porn stars who say they won't kiss in their scenes because that is something they save for their more intimate relationships off camera. Where do you stand as far as including deep kissing the men your fuck in your scenes?
Marley Y.
Rockaway Beach, OR

Dear Marley,
I love kissing! I think it's such an important part of the chemistry you have with that partner. Don't get me wrong. I love hardcore sex! I love to fuck! But adding that intimacy of kissing makes it that much hotter. You can't get any closer to someone than that.–xoxo, Jesse Jane

Dear Richelle Ryan,
I applaud your ability (and eagerness) to ride some of the biggest cocks I've ever seen in your movies. Have you ever met a cock that was too big for you to handle, and what would you say is the perfect cock size when it comes to making you cum?
Brad B.
Scranton, PA

Dear Brad,
I do enjoy working with some of the biggest guys in the Industry. One of my favorites is Mark Ashley. He is about ten inches and really thick, and his cock makes me cum so hard. My first biggest cock I struggled with was Jack Napier, which was in my first interracial scene. I chose to work with Jack for my first interracial scene ever based on how big he was. I guess I wanted to test my limits [laughs].
I struggled a little bit, but we had such a hot scene together.
Since I am a bit of a size queen, I think the perfect cock size to make my pussy cum is about eight inches and really thick.–Richelle

Dear Jacky Joy,
I am a huge creampie movie lover and I think your creampie scenes are the hottest in porn. My question: Is creampie something that you just do to get your fans off, or do you actually get off on cum shooting into your pussy?

Wayne K.
Verona, MS

Hey Wayne!

Thanks for the compliment, and I'm glad that you liked the scenes. It's been a really long time since I've done any creampies on video, so you'll have to be on the lookout for any new ones. I promise to make it extra dirty, just for you! As for your question, of course I like cum shooting into my pussy!

There's definitely times where I want to have the cum inside of me but I have to be honest, most of the time I prefer it on my face or in my mouth. There's something about having a guy jerk off on me that turns me on more than if he cums inside of me! I haven't had many fans or companies ask me to do creampies, but maybe this year that'll be different.

I'll make sure to keep you and all of my fans updated on any creampie scenes that come out and stay tuned for all of my upcoming scenes this year!–xoxo, Jacky Joy

Dear Misti Dawn,
I am a big fan and was disappointed to hear that you were leaving the XXX business. However, I do wish you the best in whatever you wind up doing in life. Looking back, what would you say is your favorite and least favorite experiences during your time as a porn star?

Peace
Warren C.
Paterson, NJ

Dear Warren,

Well, as you might know I love gaming and have been really busy working on my gaming site and transitioning out of the adult industry. In the past year I did a movie with Elijah Wood for Max Landis, and was in Tim Armstrong's Rock and Roll Theater. I also did a segment for Spike TV on my top five games of 2011, and a music video for MC Lars and much other more mainstream work.

It seemed easy to transition since I had always had problems with porn and the way people are treated, which always left me outcasted amongst companies but easily relatable to by a mass amount of fans.

I would say I don't have many favorite moments in porn. I would say things were never what they seemed to the public and I was disappointed by this. Once I met many of the performers I believed in and looked up to as empowering, it was easy to see they were just a mess that got lucky. This became more and more apparent with almost all the "popular" performers I've met. Ill treatment by companies and directors really negated any fun I might have had during porn as well. I rarely got booked for scenes I was interested in doing. I joined porn to try things sexually that I couldn't line up in my own life, and once those weren't going to happen I saw it was time to move on.

My favorite experience or lesson you could say, is that I learned that sex is best when it's with someone you pick, not a revolving door. But, having an open relationship is fun. Because, whether you're both there or not, it's a mutual agreement between two partners to let others into your relationship, not a director.–Misti

Dear Tanya Tate,
I have seen you at comic book conventions and I also saw you in both the Iron Man and Incredible Hulk porn parodies.

Do costumes and super heroes turn you on in real life? Who is the super hero you would most like to fuck and why?

Randy C.
Bethlehem, PA

Randy,

Oh yes! I mean, what's not to like? Hot babes like Catwoman and X-men's Emma Frost running around in tiny little outfits and big strong men like Hulk and Superman wearing muscle revealing costumes– of course it turns me on! I love cosplay and that's one of the benefits. You can see these people dressed like that in real life. I'd like to think it turns some people on to see me dressed up as a naughty Emma Frost. I shot a set of images for my website TanyaTate.com where I'm in the costume and slowly peel myself out of it. It's really hot!

The superhero I would most like to fuck? Power Girl. I have a thing for busty blondes. And she looks like she can handle it if I come at her with a strap-on. As for the guys, that's easy– Thor. He IS the god of thunder and carries a big hammer! (laughs)–See you at Comic Con! Tanya Tate, xxx

CONFESSIONS OF A SLUT

The day I turned legal I packed my shit, offered a heart-felt 'fuck you' to everyone in my crappy little Midwestern town (including my bitch-ass folks) and took off in my beat up (but trusty) shit box of a ride for a life in LaLaLand. I was dying to be free of all the rules and bullshit, so I could be who I want, do what I want and fuck whoever the hell I please.

The first night of my trip I stopped off at a motel to chill for the night and maybe even get my first taste of meatstick. The dude, Buzz at the front desk was about 21 and hot. I could tell he was into me by the way he was all nervous when I was checking in. Buzz even tried to impress me by saying he owned the place, but later 'fessed up that it was his dad's business.

When I headed up to my room, I asked Buzz if he wouldn't mind coming up and 'checking in' on me later that night. At about one in the morning there was a knock at the door. I let Buzz in and we flirted a bit as we talked. I told him I was a virgin and was looking to put my cherry in the rearview mirror.

With that I made a really bold move and reached out to grab Buzz's cock through his jeans. I felt the flesh grow hard in my hand and the thrill of knowing I was turning this guy on made my pussy moist and itching to get pounded by cock.

As eager as I was to fuck, I really had no idea what I was doing. So I settled back and let Buzz take the lead. He lifted my shirt over my head, unsnapped my bra and took my tits into both hands. I leaned my head back and took in the pleasure as Buzz squeezed my boobs and sucked my nipples. His hands dropped to my waist and Buzz pulled the skirt over my ass. He put his lips to the wet patch of panties that covered my snatch. I moaned as he kissed my pussy while peeling the wet undies down my thighs and over my feet.

Buzz got up to his knees, dropped his pants and stroked his thick hard-on a few times, then laid back down over me and worked the head of his dick between my tight pussy lips. Having a cock in my cut hurt at first, but Buzz helped me relax, and, after a few short pumps I was beginning to feel the overwhelming sensation of taking a big cock in my hole. With each push, the dick penetrated me further and I really began to get turned on when I looked down to see that Buzz was able to bang me balls deep!

The only orgasms I had ever experienced where during my wild masturbation sessions, but I never felt anything as strong as the sensation that built up between my legs when Buzz's cock slamming caused a small river of cream to spray from my wet pussy.

Buzz ended the session when he

pulled his drenched dick from my cunt and jerked his juice all over my belly and tits.

The next morning I said goodbye to Buzz, checked out and set out on the road again. Crossing into California I pulled into a highway stop to take a piss and get something to munch on. I spotted a middle-aged dude checking out my rack while I was waiting for my food.

I watched him walk into the men's room, and I felt the sudden urge to step out of the line and follow him in. I gave in to the idea and walked to the men's room door. Before giving myself a chance to change my mind, I went in as this dude was washing his hands by the sink. He was shocked to see me, but his surprise turned to arousal as I unzipped his pants and pulled his dick out. I crouched down and took the cock into my mouth. I'm not sure what was getting me hot more, taking this hard hunk of dick in my mouth, or the fact that I was blowing this dude in public and anyone could have walked in and caught me in the act.

I was only about a minute into sucking his dick before his splooge was shooting all over my tongue, and pouring out onto my lips.

I'm now settled in LA and I have a small group of fuck buddies that ensure that my pussy is always being taken care of. I even began exploring doing online sex cam shows and posing for dirty photos as another way of satisfying my perverted desires.

I am a slut, there's no doubt about it. In fact, for me, sex and getting off has become something of an addiction. But don't expect me to be seeking help for this addiction anytime soon. I'm having way too much fun living the life of a whore!
